

Parish St. Clement

"Supporting Jersey's community & schools"

PC Amanda Ingram

I have lived in Jersey all my life. Before joining the States of Jersey Police, I worked in the finance and service industry. During my early twenties I was a Constable's Officer with the Trinity Honorary Police and due to this experience I embarked on a new career, joining the States of Jersey Police in March 2006.

My initial deployment was to uniformed shift as a response officer before moving to the Response Investigation Unit in June 2014 to develop my investigative skills.

I have been the Community Officer for St. Clement since May 2015. In this short time I have met with many parishioners, hopefully having a positive impact on their lives. Please feel free to contact me on the below details or stop and have a chat when you see me out and about.

stclement@jersey.pnn.police.uk

When I am not available, due to leave or other commitments,
PC 717 Tamara De Carteret will assist.
